

Well Done and Thank You Eadie Pulham

We would like to say a huge WELL DONE to Eadie Pulham from Room 10 who registered for the Moth Plant eradication competition recently held. Eadie registered Riverview School and was second, collecting a whopping 1971 plant pods. By getting second, Eadie won \$250 for the school. We will talk with Eadie to see where she thinks we should allocate this money.

Community Voice

Once our Learning Conferences are over, we will send home a quick survey to all whānau. This is to gain insight into our Reporting Home and Communications to parents. This will be a short survey, and we encourage everyone to take a few minutes to complete this. Early next term, we will also look at a short survey, to give us some direction in planning for the 2025 year.

School Lunches

We are also looking at the possibility of introducing a healthy school lunch once a week. We are in the early stages of this, and will inform you all when we know more.

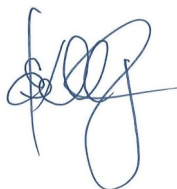

Police Vetting Reminder:

- Any whānau interested in volunteering at school or accompanying trips must undergo Police Vetting.
- The process can take up to six weeks.
- The school will cover the cost of the vetting fee.
- Two forms of identification are required to process the application.
- Once completed, the vetting is valid for three years.
- We cannot accept Police Vetting from other schools or agencies.

Please visit the office to obtain a Police Vetting form.

Have a safe and enjoyable long-weekend, we will see you all next week.

Kia pai tō wiki – Have a good week.

Student-led Conferences

Our student-led conferences take place in your child's classroom and are scheduled for weeks 6, 7, and 8 of this term. We schedule them over 9 days to ensure there are no clashes for those of you with more than one child at our school. The table below shows the dates, times and availability for each class teacher. **Green** is for the Year 5 and 6 classes, **red** is for Rooms 6 to 12, and the **blue** is for Rooms 1 to 5 and 19.

To book a time slot for a conference with your child and their teacher, log in the <https://www.schoolinterviews.co.nz> The code for Years 3 to 6 is **zrkte**. The code for Years 0 to 2 is **7awrv**.

These conferences are an opportunity for your child to tell you about what they have learned and what they are learning. It is the chance to look around their classroom, see inside their school books and hear from your child about how they spend their days. This is not a one-on-one meeting with the teacher to discuss any concerns you may have about your child's learning or progress. We have allowed 45 minute blocks for the year 3-6 classes and 15 minute time slots for the year 0 – 2 classes.

Please book in through the website. If you are unable to make a booking online, please contact the school office and we can make a booking for you.

Date	Time	Teachers Available
Tuesday 27 August	4.15pm - 5.00pm	Hamish Ward, Catherine Ross-Taylor, Samantha Roessler, Vic Phillips, Dallas Andersen, Keren Matthews
